- Yes
 No (Authorization of non-manufacturers shall require authorization by the manufacturer(s) of the equipment)

(Continued on back)

APPLICATION FOR AUTHORIZATION

(continued)

1. The applicant understands that the issuance of an authorization for use of the BISSC Symbol is based on the voluntary certification, by the applicant, that the equipment listed in the application fully complies with the current ANSI/BISSC/Z50.2 Standard Section 3.0 General Principles of Design, Construction and Cleaning for All Bakery Equipment and any additional Standard Section designated.
2. The applicant further understands that when an Authorization has been issued, the legal responsibility for compliance is solely that of the holder, and BISSC will not warrant that the holder will at all times comply with the requirements of the current ANSI/BISSC/Z50.2 Standard Section(s) designated.
3. It is affirmed that the applicant will maintain, for the duration of the Authorization applied for, an organized system of inspection during the manufacture and assembly of the equipment.
4. It is also affirmed that the signer(s) of this application will abide by the rules set forth in the Policies and Procedures Governing the Baking Industry Sanitation Standards Committee (BISSC) Certification and Verification Programs.
5. It is hereby declared and affirmed that the models of the equipment listed in this application comply with the requirements of the current ANSI/BISSC/Z50.2 Standard Section Number 3.0 General Principles of Design, Construction and Cleaning for All Bakery Equipment, and the current ANSI/BISSC/Z50.2 Standard Section Number _____ for
